

Ride the Bus – rules

All three rounds with a diagram on one page – perfect when not everyone knows the rules.

Round 1 – Four questions

Going round, everyone answers four questions about their next card: red or black? higher or lower? inside or outside? which suit? Wrong: 1, 2, 3 or 4 sips.

Round 2 – Pyramid

15 cards face down as a pyramid (5-4-3-2-1). Turn them over from the bottom up. Holding the same rank? Lay it down and hand out as many sips as the row number.

Round 3 – Riding the bus

Whoever has most cards left rides the bus: five cards face down, turned one by one. 2–10: keep going. Jack/Queen/King/Ace: 1/2/3/4 sips and start again. Tip: max three restarts.
